

ABC Men's Football Group

Lead Volunteer Role

About ABC

Aid Box Community exists for the relief of poverty and financial hardship of refugees and asylum seekers in the UK by providing free and essential living items. We operate out of a warm and welcoming hub, where people are free to come and 'shop', have a cup of tea and a chat. From here, we also promote the integration of refugees and asylum seekers through the signposting of partner services for appropriate.

Our vision is a world where every refugee and asylum seeker are given the opportunity to start a new life.

Our mission is to uphold the basic rights of refugees and asylum seekers by providing practical aid, support, and direction and, by doing so, making their daily lives a little easier.

Our Values: Aid Box Community welcomes displaced people with open arms into the ABC family. Together, we will provide choice, love, hope, advocacy, and a space where everyone belongs, and everyone is important.

Aid Box Community currently works with more than 600 refugees and asylum seekers living in and around Bristol.
